Format Type: Social Mixer

Difficulty: Level 1 (Easy)

Purpose

Create a welcoming space for people to meet, build relationships, and understand who's in the local Clay community.

Best For

- First events in a new city or region
- Smaller, relationship-first gatherings (upto 20 people_
- Mixed experience levels (new users + power users)

Structure

- Quick welcome + what Clay Clubs are about (2–5 min)
- Light icebreaker or prompt (5–10 min)
- Open mingling + guided introductions as needed + showcase builds(45–75 min)
- Optional closing moment: “one takeaway / one new person you met” (5 min)

Outputs

- A stronger local network
- A short list of attendee interests / use cases to inform future events

Why It Works

Low lift, high warmth, and the best way to validate local demand.
