Join the Club! How to Host a Clay Event in Your City

> 🤜 Play an exciting part in bringing our vibrant Clay community offline and into the real world! Clay Club events range from GTM demos to 100-attendee parties.

Overview

Each local Clay community, a.k.a. Clay Club, can get together at quarterly IRL events as well as share resources in exclusive group chats.

If you're selected to be Club Host, our team will work closely with you to give you all the support you need, but we will step back when it comes to making the best, most contextualized decisions to grow your community.
