@Joan Carles Sanjurjo here you go!

## Process

***Leads***: use your Ramp card whenever possible. For other payment methods, request reimbursement via the process below.

***Non-leads / Reimbursement outside Ramp***:

- make a copy of this template
- fill out each line item
- double check the payment details are complete and correct
- export the sheet as PDF
- email to invoices@clay.com with the subject '{{city}} event - {{date}}'

# Budget Guidelines

The total budget we give to each community event is 1.5k USD. We love to see hosts make it stretch by negotiating with venues, enlisting community volunteers, and encouraging UGC over sizzle reels.

***Categories we generally expense***

- Venue
- Food and beverage
- Printing
  - Name tags
  - Posters / Signs
- Photographer / Videographer

***Categories to chat to Clay team about***

- Travel for hosts or speakers
- Printing large banners
- Honorarium for hosts or speakers (beyond what's left over of 1.5k)
