How-To

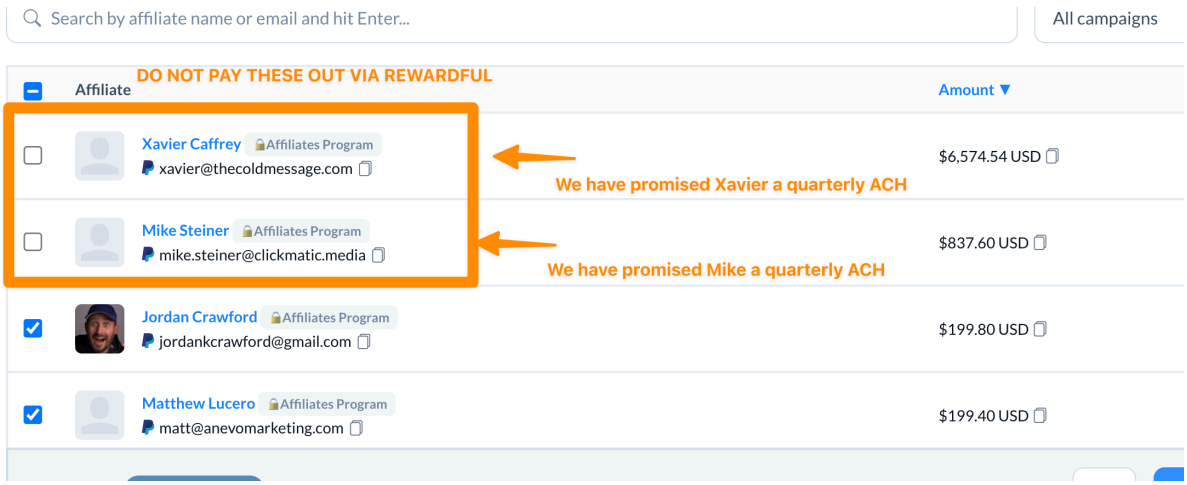
Steps to recreate:

1. Go to https://app.getrewardful.com/payouts
2. Select all EXCEPT the partners in ❗ Payout Exceptions (Quarterly)



3. Click “Pay with Paypal” until all affiliates are cleared out EXCEPT those 2 exceptions
    - FYI for manual ACH payment to anyone, ping Steve Sidhu in #proj-affiliate-operations until Rewardful has ACH capabilities
4. Go to https://www.paypal.com/mep/fundsmanagement/money and click ‘Add Money’
5. Add 25k each from the 2 Bank of America accounts (so $50K total) so you have sufficient Funds transferring over this week just in time for you to do the next weekly payment on Monday!
